

Etna Library Long Range Planning Survey

We need your opinions and ideas . . .

According to its mission statement, the Etna Library "will be an active presence in the village, providing its services to the community in a personal manner while preserving the historic building."

In 2010, numerous generous donations enabled the town to purchase the land surrounding the library. Plans have been drawn up by a local architect familiar with Hanover historic buildings for the construction of

- a safe parking area
- a side entrance and bathroom that are accessible for the disabled

The parking area will be financed through the town of Hanover. The new entrance/bathroom, to cost between 85,000 and 100,000 dollars, will be funded through private donations. This addition is called Phase 1 because it could be used as a connection for a possible future expansion that would provide more space for library services and programs.

The purpose of this survey is to find out what, if anything, you would want us to do after the completion of Phase 1. Please return the survey to the Etna Library or mail it to P.O. Box 207, Etna NH 03750 by January 31, 2012. If you prefer, you can complete it online at www.hanovernh.org, selecting Etna Library in Departments.
